

MEMBERSHIP OF SCOA

Thank you for your interest in joining the Settlement Council of Australia (SCOA). Membership of SCOA is open to organisations that provide settlement services. There are two types of membership:

Full Membership

Full membership is open to all organisations that have received MRC or MSA core funding in the past, and also to multicultural services which operate with a community based board of directors as its primary instrument of governance, and which provide settlement services in a region.

Being a full member of SCOA entitles you to:

- Vote at SCOA General Meetings, and to nominate a representative of the organisation for membership of the SCOA National Executive
- Inform the development of SCOA's policies and positions
- Receive free copies of all SCOA's reports and submissions
- Receive a regular newsletter
- Receive updates on policy, events and other things of interest to the settlement sector
- Free use of training / meeting rooms at SCOA's head office in Sydney

The membership fee for full members is \$500 + GST per year.

Associate Membership

Associate membership is open to other relevant organisations that share the objectives of SCOA. Being an Associate Member entitles you to many of the benefits of Full Members, but Associate Members cannot vote at General Meetings or nominate a representative for membership of the National Executive. There is currently no fee for being an Associate Member.

If you wish to apply for membership, please complete the Membership Application form and return it to SCOA. If you have any questions about membership, please contact Andrew Cummings, Executive Officer on 02 8065 5225 or andrew@scoa.org.au
